

# Black Pools / Mogogelo

**About Black Pools / Mogogelo** This is a completely new area to be opened in January 2013. The area is situated on the banks of the Mogogelo River and supports vast numbers of game. The game have lived here relatively undisturbed up to now. The area is extremely sensitive to over-utilisation and indiscriminate use may result in a decline of game numbers. Visitors are thus kindly requested to stick to the regulations. Off-road driving is prohibited. The area is sensitive to poaching and monitoring is required. The area is being monitored and will be managed accordingly. The area is not to be used for any purpose other than the care and protection of the game front. Visitors are thus kindly requested to stick to the regulations. Off-road driving is prohibited.
